SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

FC 2012-090522

09/19/2012

Counsel for the State advises the Court that Mother is not currently receiving assistance from the State of Arizona so the State is not seeking any orders as to past or current child support, however, the State is requesting that paternity be established based upon genetic testing results filed with the Court on August 1, 2012.

Pursuant to the State's request and no objection having been filed,

THE COURT FINDS Edward Bernard Welch is the natural Father of the child, Vincent James Halley (DOB: 01/13/2010), born out of wedlock and, pursuant to A.R.S. §25-501, has a duty to support the child(ren). A copy of the Judgment and Order shall be sent to the Office of Vital Records, to amend the child(ren)'s birth certificate, to reflect Vincent James Halley as the natural father.

The Court's further findings and orders are as contained in the formal written Judgment as to Paternity signed by the Court on September 19, 2012, and filed (entered) by the clerk on September 19, 2012.

11:50 a.m. Matter concludes.
